

STATEMENT OF PURPOSE

RS29061C1 / H0451

The purpose of this legislation is to add an additional pathway to review youths' custody and treatment progress by having a hearing in front of the Custody Review Board (CRB) and to make technical corrections. This updates the Juvenile Corrections Act (JCA) ensuring the JCA stays current, recognizing relevant research and practices that have been demonstrated effective.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because this proposal provides for an additional pathway to a process that is already in place. The Custody Review Board already meets quarterly; therefore, passage of this legislation does not introduce any new fiscal obligations on any part of the Idaho juvenile justice system.
